Approval of action management plans – New Bundaberg Hospital

Dear Ms Townsend

Thank you for your submission dated 10 September 2026 to the National Environmental Protection Agency (the agency), seeking approval of the following plans, in accordance with condition 5 and 12 of the approval of the New Bundaberg Hospital (EPBC 2022/09397) under the *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act):

- Matters of National Environmental Significance Management Plan (Issue K, 28 August 2026)
- Rehabilitation Management Plan (Issue F, 10 June 2026)

As a delegate of the Minister for the Environment and Water, I have decided to approve these plans.

Now these plans have been approved, they must be implemented and published in accordance with your conditions of approval.

As you are aware, the agency has an active monitoring program which includes monitoring inspections, desk top document reviews and audits. Please ensure that you maintain accurate records of all activities associated with, or relevant to, the conditions of approval so that they can be made available to the agency on request. Should you require any further information please contact our Post Approvals Section by email to PostApproval@dcceew.gov.au.

Yours sincerely
